'Stefania for Schools' Programme

Stefania's mother says,
**'Choose one thing that is most
precious to you. That's all we can take.'**
Stefania chooses her dancing slippers.

**This is an in-house lesson for Year 5-8 students
and is based on the Scholastic book 'Stefania's
Dancing Slippers', written by NZ writer Jennifer
Beck and creatively illustrated by Lindy Fisher.**

- Inspired by the true stories of the Polish children of
Pahiatua's remarkable survival through World War 2
- Follow Stefania's incredible story of hope, courage and
tough choices
- View original artworks from the book, images of the
children's homeland, forced journey through Russia to
a safe haven in Persia and warm welcome to NZ
- See personal artefacts connected to these stories
- Tailored to class and curricula needs
- Group size to 30 students per group plus adults
- Dates available to suit your school
- \$2 per student (staff and helpers free)
